- The blades never need to be oiled
- 2-year guarantee

PHILIPS

Ultra precise beard styler with DualCut Technology
DualCut precision trimmer Detail shaver attachment, Fully washable, AA battery, 3 precision combs

MG1100/16

Highlights

DualCut precision trimmer

The 21mm precision trimmer helps you trim evenly & shape your facial style (stubble, goatee, sideburns, neckline or mustache) with high control and visibility.

DualCut Technology

Advanced DualCut Technology combines a double-sharpened cutting element with low-friction engineering.

Skin-friendly detail shaver

The skin-friendly 21mm detail foil shaver is designed to fit into small spaces with more precision than a blade, for a clean shave even in hard to reach areas.

3 precision combs

Trim and maintain the uniform length of your stubble, beard, goatee, sideburns and mustache with the 1mm, 3mm, and 5mm click-on precision combs.

Water resistant

The trimmer and the combs are easy to clean under the tap and can be used in the shower.

Brush

The brush keeps the blade clean after use.

Soft rubber grip

The soft-touch rubber grip gives you the best hold, even when wet, for better control when operating your trimmer.

AA battery included

AA battery operated, your trimmer is ready to use straight away.

2-year worldwide guarantee

All of our grooming products are built to last. The trimmer comes with a 2-year guarantee and is compatible with voltages worldwide

No oil needed, ever

No need to oil ever, for easy maintenance.
